ABUNDANT FRUIT-BEARERS 2

"My Father is glorified and honored by this, when you bear much fruit, and prove yourselves to be My [true] disciples." John 15:8 (NKJV)

Within every fruit, there is a seed. And as fruits of Christ, we have the ability or the seed to also bear fruits and to multiply. Unfruitfulness is not a quality in God. God designed every organism to be fruitful. We see this even in Eden after God has made man.

"Then God blessed them and said, "Be fruitful and multiply. Fill the earth and govern it..."
Genesis 1:28 (NLT).

Again, after the flood in the days of Noah, "Then God blessed Noah and his sons and told them;

"Be fruitful and multiply. Fill the earth." Genesis 9:1 (NLT). Fruit-bearing is preeminent in God's eternal plan and purposes. After Jacob encountered God, and He changed his name from Jacob to Israel, the Lord God, blessed Jacob with the ability to be fruitful.

"And God said to him, "I am God Almighty: be fruitful and multiply. A nation and a company of nations shall come from you, and kings shall come from your own body." Genesis 35:11 (ESV).

God in the structure of His economy, He has designed a system for fruitfulness and multiplication. Now understand that, to be blessed, also means to be enabled, empowered, to invoke or make one achieve a glorious intention. Which means, God doesn't demand fruitfulness, He supplies you with the ability and the needed resources to be fruitful.

"I am the sprouting vine and you're my branches. As you live in union with me as your source, fruitfulness will stream from within you — but when you live separated from me you are powerless" John 15:5 (TPT)

The blessing we need to bear fruits is the Lord Himself. As we are in union with Christ, we have the source and endless supply of ability to bear fruits. The Lord wants us to bear fruits, for in that, the Father is glorified. Nevertheless, we don't generate the ability to bear-fruits. We don't look for our own means to bear-fruits. He is our source, and means of fruit-bearing.

As disciples of Jesus, we are also His branches, as He is the vine. Branches are supplied with nutrients (dissolved minerals) and water from the soil, by the Vine. In fruit-bearing, you reproduce what has been produced in you, by your source. A mango tree is not designed to produce pomegranate fruit. Neither will you expect to have an olive fruit, from a fig tree. The fruits we bear, are the fruits He bore, that the Father will be glorified.

This is refreshing; we are not to be bear fruits for our own glory, we are to bear fruits unto the glory of the Father. Since your fruit-bearing is unto the glory of the Father, He works in partnership with you to bear abundant fruits.

Hallelujah!!

DIG DEEPER

(Isaiah 60:21; Isaiah 61:3; John 5:20;)

WE PRAY

That the ability of God will increase in us more and more as we bear fruits abundantly.
