EXCITED TO TELL YOU THIS

"God is faithful, by whom you were called into the fellowship of His Son, Jesus Christ our Lord" 1 Corinthians 1:9 (NKJV).

HURRRAAAAY!!!

It's a new month and a new day.

MACHAIRA

Whiles writing this I see the Lord ushering you faithful reader into a new season of love and testimonies. The Lord has blessed this month with His refreshing presence. He wants to take your hand and take you on a walk.

Trust Him!!!

Yield to the overwhelming beauty of His immeasurable love. The Lord wants to take you on a journey of love, faith and excellence. He wants the world to see Him in you. He didn't just come to save you from destruction and eternal condemnation through Christ. He gave you His life and brought you into the fellowship of His Son, Jesus Christ our Lord. Glory to God.

Did you read the opening verse?

Look at it:

"God is faithful, by whom you were called into the fellowship of His Son, Jesus Christ our Lord"

1 Corinthians 1:9 (NKJV).

Beloved, this is a great news:

**GOD HAS CALLED US INTO THE
MACHAIRA**

FELLOWSHIP OF HIS SON, JESUS OUR LORD!

I can't stop thinking and rejoicing over this.

The word for FELLOWSHIP is **koinōnia**, which means: *partnership*. This speaks of our participation in God's life and purpose. It also means intercourse, communication, communion, contribution and distribution. God proved His faithfulness to all His promises, by calling us into fellowship with Jesus. This is beautiful and marvels the heart. Considering who Jesus is in all of His glory, Lordship and preeminence; yet we are called by God into fellowship with Him. We are called to be contributors in the expression of the life of Christ. We are called to have participation in His life and vision. God didn't bring us into Himself to demand worship from us.

Is it to say we don't have to worship God?

Not at all!

Worship is our response to God and His glory. When you see God in the beauty of His presence

you will worship Him. This reveals the core of His mandate, which is for Him to have eternal communion with us. We are to have a deeper communication and union with Him. This is an eternal intercourse where you drink of Him and you become the satisfaction of His pleasure. This is a call which transcends the struggle of the flesh, and the management of sin. This is a call where only God and His life matters. Our fellowship in Christ is not an informal social gathering. Our fellowship in Christ is a matter of His life in us and we being His organic living. Our fellowship in Christ is a matter of partnership in His life and expressions. It is not a weekly activity. It is a share in His essence. Through fellowship you feel as the Lord feels. You see as the Lord sees and walk in the fullness of His reality. Beloved in this communion, you are the object of His love; therefore He also must be the object of your love.

Selah.
