**THE CONSTITUTION OF WISDOM**

*"Before I was humbled I used to always wander astray, but now I see the wisdom of your words.*

Psalm 119:67 (TPT)

From the previous episode we looked at the Word of God as God's Creative Material. The Word of God is the expression of God's thoughts or intrinsic ideas. When God spoke in creation, He exhibited the depths of His Wisdom. You cannot touch the Wisdom of God, except through His Word. In God's creative work, there was the demonstration of His Wisdom. Wisdom is seen in a person's expression. In God's creation work, He spoke forth what He has conceived. His wise connate design of the universe was unravelled. Therefore, the speaking of God (His Word) is the package or the substantiation of His Wisdom. A little inquiry or observation of the universe will leave you awestruck. A stare of how the constants and laws of physics ally to make the universe extraordinarily habitable. The maxim "*In the beginning God created the heavens and the earth*" is teeming with the empyrean artistry of God.

Look at Earth's position in the universe. Why is the Earth's distance from the sun averages to about 93 million miles?

The surface temperature of the sun is about 6000 degree celsius. Imagine walking close to this temperature even by 100,000 miles?

You may think in His creation work, God was just speaking WORDS.

But beloved, God was parading His Wisdom.

The creation of the universe is the product of God's creative power and not the falsehood of theistic evolution. It is unrealistic to think the universe began some aeons ago from a glob of froth, when you intelligently behold the universe. The creation of the universe is a choreography of the wisdom of God (which is embodied by His Word).

***"The Lord ' s wisdom founded the earth; his understanding established all the universe and space. The deep fountains of the earth were broken open by his knowledge, and the skies poured down rain."*** Proverbs 3:19-20 (TLB).

In the verses above, you will find three components of the Word of God:

1. WISDOM
2. UNDERSTANDING
3. KNOWLEDGE

The Word of God constitutes these three verities.

To which extent do you esteem God's WORD?

The immeasurable depths of God's Wisdom can be experienced by His Word. We previously saw Christ as the person of the Word. And He is the person of wisdom.

***"...Christ the power of God and the wisdom of God"*** 1 Corinthians 1:24.

The scriptures testify of Jesus. (John 5:39)

Who is He? HE IS THE WORD OF GOD and He is THE WISDOM OF GOD.

The scriptures (as the written Word of God), are the effulgence of the Wisdom of God. They bring God's Wisdom to light. The inaccessible wisdom of God has now been on display in the scriptures.

*"You have been taught the holy Scriptures from childhood, and they have given you the wisdom to receive the salvation that comes by trusting in Christ Jesus." 2 Timothy 3:15 (NLT).*

Precious one, GO FOR THE WORD OF GOD AND LIVE BY ITS WISDOM.
