THE ELIXIR FOR YOUR HEALTH 2

"Then, as you unwrap my words, they will impart true life and radiant health into the very core of your being." Proverbs 4:22 (TPT)

The healing ability of God's word cannot be overemphasized. Words basically influences the state of a person. The power of a word is its meaning. Ones perception is crystallized when the meaning of a word is unveiled. And then it generates a feed back through our emotions. Many lives are emotionally hurt crushed and broken physically by words than thrusting a sword into their chest. Wounds caused by words hurt deeper than anything else. Most mental health and depression issues are caused by negative words.

The word of God doesn't share the same terra firma with either positive or negative words. You may speak positive words and not be speaking the Word of God. The Word of God is the edible form of God's Wisdom and counsel. Its emanation is with life and spirit. When God's word infuses your heart, dead cells can be quickened to life. It dissolves any form of darkness within the brain, because it enters you as light. If negative words can create unwelcomed conditions in a body, much more THE

POWER OF THE WORD OF GOD.

"He sent His word and healed them, And delivered them from their destructions." Psalm 102:20
(NKJV)

Wherever the Word of God is, there are answers. When there is sickness, it will produce healing. When there is weakness it will produce vitality. True liberty is born out of the Word. God does nothing except by His word. The Roman centurion had this understanding about the power and authority of words.

"The centurion answered, "Lord, I am not worthy to have You come under my roof. But just say the word, and my servant will be healed" Matthew 8:8.

Make meditation of the Word of God your priority. That is how you can flood your entire being with its essence.

"My son, give attention to my words; Incline your ear to my sayings. Do not let them depart from your eyes; Keep them in the midst of your heart;

For they are life to those who find them, And health to all their flesh."

Proverbs 4:20-22 (NKJV).

The word "*health*" in this verse, is from the Hebrew, **marpê'** (see strong's concordance H4832). It means medicine or a curative. It also means a remedy which yields wholesome healing or health. Which means the WORD is a MEDICINE to heal your spiritual brokenness, emotional wounds, mental condition, and physical infirmities. A medicine or a remedy may be good but until you apply it, it wouldn't work automatically. You need to use or apply it according to the prescription to get the expected results.

"Please receive instruction from His mouth And establish His words in your heart" Job 22:22 (NASB 1995)

To receive the Word is to read, study and meditate on the Word. This is how you can achieve the expected results.

Have you fellowshiped with the Word?
