LEARN TO MINISTER UNTO THE LORD 1

“As they ministered to the Lord and fasted, the Holy Spirit said, “Now separate to Me Barnabas and Saul for the work to which I have called them.”

Acts 13:2 (NKJV)

Our Heavenly Father, has brought us into an intimate relationship with Him through Christ. Our relationship with the Father is not just centered on our needs. There are people who commune with God when they are in need of help. They relate with

God as though He is their butler. Without doubt, our Heavenly Father is our provider and great help but not our butler. One truth is that when you physically see God, you will be astonished and humbled in godly reverence. God doesn't demand worship from us, He made us for fellowship, however, the revelation of Him will lead you into worship. You minister to the Lord through worship, praise or exaltation. It is your response to who God is.

In Christ, you are made a PRIEST (Revelation 1:6). As a Priest in Christ, you have a responsibility to serve the Lord or administer unto the Lord and then minister God unto people. As you minister to the Lord you are infused with God's richness, for you to express Him unto others (we will look more into this later). All through the scriptures, you will find out that, the men who were greatly used by God, had a practice of ministering unto the Lord.

Don't be a person who is in a hurry to minister unto others, when you have not first ministered unto the Lord.

Develop the habit of always lifting your hands in praise and worship to the Lord. Thank the Lord for who He is and the specific things He has done and other greater things He is going to do for you, with you and through you.

Hallelujah

DECLARE THESE WORDS

- As a priest in Christ I minister first unto the Lord.
- As I minister unto the Lord I am empowered.
- My strength is in ministering unto the Lord.
- I permit nothing to distract me from ministering unto the Lord daily,
- Whether in pray, worship or praise, I minister unto the Lord with my hands lifted up.

Oh Hallelujah, Gloreeeey!!!
