STOP THINKING POOR

"There must be no poor people among you because God is going to bless you lavishly in this land..." Deuteronomy 15:4 (MSG)

Do you really have the desire to do great things for God?

Do you want to be part of the spread of the gospel in all places?

Do you want to see the transformation of people?

I believe your answer is "YES!"; then you don't have to think poor or be poor or remain poor!

The gospel is free but not cheap. It takes a lot of resources to spread the gospel to the nations of the world. Understand that being poor will limit you from achieving the dreams of God in your heart. You cannot spread the gospel and become a giant in the expansion of the Kingdom with poverty. This is not to demean any poor person, but to establish you in the consciousness that GOD DOESN'T WANT YOU TO BE POOR, therefore STOP THINKING POOR!

Did you read the opening verse?

"There must be no poor people among you because God is going to bless you lavishly in this land..." Deuteronomy 15:4 (MSG)

Why must there not be poor people among them?

Because poverty is an error!

Poverty is not of God!

Poverty is not a blessing from God!

Anything that is not of God must not be part of your life. The blessing of the Lord makes rich. (Proverbs 10:22).

You may ask, "*Why then am I poor because I know I am blessed of the Lord, through Christ Jesus?*"

Get this, you can carry the Lord's blessing and still live poor. The reality is that anyone blessed of the Lord is not poor but can live poor. Poverty is not first the absence of money. However, when you live poor, you will walk in lack. Poverty is essentially a mindset problem. Until you correct your mindset, you may have all the resources in the universe and still live poor. Your thought is what defines how you demonstrate abundance.

You have to stop thinking poor because you are not poor. Not having physical currency note, or a good bank balance doesn't mean you are poor.

You are blessed of the Lord, therefore you are rich!

Don't think poor, don't live poor, don't respond to life situations as a poor person. Don't speak the

language of the poor. Refuse to declare lack.

The poor thinks, he or she doesn't have enough. But the blessed of the Lord knows whatever he or she has can be multiplied. One with a poverty mindset thinks impossibilities, sees and speaks lack. One with a poverty mindset, cannot imagine a life lavished with abundance. Such people are quick to declare how they don't have money. To even think and say, "*My money is finished*" is poverty mentality.

Why will you think your money is finished? Why will you think you don't have money?

Beloved, as the blessed of the Lord, you are lavished by the Lord with super-abundance. You have the capacity and ability to generate resources.

Refuse to think POOR!
