## KEEP YOUR SENSE OF URGENCY

***“Herald and preach the Word! Keep your sense of urgency [stand by, be at hand and ready], whether the opportunity seems to be favorable or unfavorable...”*** 2 Timothy 4:2 (AMPC)

Beloved, you can't be a world changer or a global icon by mouth. In as much as what you confess is important to your success, you must understand your choice of action will determine the extent you may lead your generation. Every great leader has a

sense of urgency everyday. Consistent impact is birth through a consistent routine. It is not the Father's will that you experience one time success. He wants you to have daily success. To make a difference in your generation, take daily steps which will make the dream of God in your heart a reality.

You can't be one who procrastinates, waste or spend time on none essentials or things which don't directly contribute to your target and vision. You have to be disciplined to work towards your goal. Until you maintain a strong sense of urgency concerning your goals, you may not be discipline, diligent and consistent. This is one of the great secrets to prosperity and greatness.

Be prompt to do!

Whatever the Lord inspires or instructs you to do, do it with urgency. There is no time to waste. Procrastination is a destroyer of destiny and fulfillment. Laziness is the act of the poor. And being lazy and wasting time, doesn't mean you are doing nothing. You can spend time doing

something which doesn't contribute to your action plan. You have no sense of urgency when you spend time surfing the internet, watching funny clips when you should be praying. Anything you do with your time must be an intentional step to contribute to your progress. Refuse to be lazy. The lazy has no sense of urgency. They do things at their own time and not according to the standard of the assignment. Your routine must represent the level of greatness.

***"The soul of a lazy man desires and has nothing, but the soul of the diligent shall be made rich."***

Proverbs 13:4

Don't just desire or wish to be successful and great. Be diligent to work towards your greatness.

***"Diligent hands will rule, but laziness ends in forced labor."*** Proverbs 12:24.

Diligence with sense of urgency, is a characteristic of all prosperous leaders who lead and transform their generation. The Bible says, and David rose early in the morning and went to the camp as his

father has commanded. (1 Samuel 17:20). And Abraham got up early in the morning to do what the Lord has instructed (Genesis 22:3-4). You will find this sense of urgency, promptness and diligence with these great men in the scriptures. They knew their success is in how they urgently acted on the instructions they received. There is no success in procrastination.

How urgent are you working towards your goals for today, for the week, for the month and for the year?

You can reach your target, maintain a sense of urgency!!!
