BEAR YOUR YOKE NOW

“It is good for a man that he should bear the yoke [of divine disciplinary dealings] in his youth”

Lamentations 3:27 (AMPC)

Most people fail to prepare, invest and get themselves built up during their youth season.

They invest their youth in pleasures.

Instead of living by divine convictions, they prefer convenience.

However, it is clear that a man will certainly BEAR A YOKE in his lifetime.

Yet, it is assuredly said “IT IS GOOD” that he BEARS it in HIS YOUTH.

At whichever stage you are, this is the best time to bear your yoke now. Take up the responsibilities, get yourself under training, give yourself to the burdens of your vision now.

You are not too old to start. Neither is it too early for you to start if you are young.

Invest time and great effort into the building up of the Word. Don't make excuses!

Create time and be fully committed to the culturing of the word.

The guarantee for a good successful life and living is God's word.

Investing your time in God, is operating in the realm of wisdom.

DON'T TAKE LIFE CASUAL.

Now is the time to make great investments in God.

The investment of the word.

The investment of prayers.

The investment of giving.

The investment of love.

The investment of knowledge.

The investment of faithfulness.

The investment of diligence.

The investment of loyalty and commitment in positive relationships.

MAKE THE SACRIFICES NOW.

BURN YOUR BRIDGES NOW!

Note that, whatever you are now is mostly likely what you will be for the rest of your life.

So, make a choice now before someone misguide you.

You remain a blessing!

Shalom!
